

Message from the President

Welcome to our website! We are a group of motor home enthusiasts who enjoy the companionship and comradery of other RV'ers and are pleased to share information about ourselves and our activities. We usually have nine rallies a year and a Christmas Luncheon in December. And while most of rallies are in the north Georgia area, we do go to Alabama, Florida, North & South Carolina, and Tennessee. Click on all the underlined links for complete information about our Chapter of FMCA, the Georgia Mountaineers. In addition to the Introduction, our Rally Schedules are here along with many Newsletters. Plus we have links to some very interesting topics. There are three pages for you to explore, Chapter & Rally Info, Newsletters, & RV Parks & Links, see the left hand corner of the first page. We hope you will come and visit with us at one of our Rallies, so we can meet you and you can get to know us better. The best way to find out if a chapter is suited for you, is for you to visit with them. There is no obligation. All we ask is for you to make your own reservations with the RV park, and when doing so, tell them you are with the Georgia Mountaineers. After making your reservations, please let us know, so we can plan our activities to include you. Again, thank you for visiting our website.

Sincerely,

Ted Barrett -- F276268
President Georgia Mountaineers
