DECEMBER 13, 2007

**GUESTS (2nd Visit):** Van Armstrong, Sam & Margaret Broady, Larry & Audrey Martin, and Don & Patricia Thuma.

The restaurant set up a great buffet for us where we could all be together in one large room. We feasted off such items as pork, chicken, potatoes, corn, salad, broccoli and cheese, desserts, etc. They had a beautifully decorated Christmas tree in the corner close to a fireplace (there wasn't a fire but it looked pretty). There were several tables of six and eight rather than one very long table.

After the meal, we had a short business meeting where Ted installed Mike & Judy Hughes as Officers and also announced that Van Armstrong & Beverly Baumbach, Sam & Margaret Broady, and Larry & Audrey Martin had just become members and Don & Patricia (Pat) Thuma plan to also join.

After the business meeting, tickets were passed out (one per coach) and numbers drawn for door prizes from FMCA and from those members that brought gifts for this purpose. Every coach received at least one gift.

This was a fun party and we all wish everyone could have attended. Looking forward to next year.....
