March 2018 RVing Adventure "You never know what's over the next hill or around the next corner"

Hello Mountaineer Family,
Halleluia! Spring is here! Several of our Mountaineers traveled to the big FMCA rally in Perry this month. There were approximately 2900 coaches present. It was good to see our travel buddies again after the long cold winter. With all the hustle and bustle there, we were able to sneak off together for dinner a couple of nights. We gathered at Cheddars one night and the Swanson in Perry one night. Both restaurants are tops in their class. We were glad to have Ed and Diane Malin visiting with us. RV One sponsored an event off campus at the Big Cedar Barn near Fort Valley. We joined the Eaves and hundreds more at this free event. They had live music, food, dancing and fellowship in the biggest barn I've ever seen. Perry was a good week enjoyed by all.

Pine Mountain is just around the corner. We are looking forward to our first rally with our Georgia Mountaineer family. We turn 25 years old and were given a 25 year certificate at the SEA Rally in Lakeland. Thanks to the Eaves for attending and picking that up for us along with a \$100 Check. I will share that at the meet and greet. Why don't we have an ice cream social for everyone with the \$100! We have been invited by the National FMCA Magazine to be featured in one of the editions this year. We want to take an updated group picture, probably on Saturday Morning at 10:00. Need 20 coaches!

Love,
Ed, Patricia and the mule

We had an old mule like this when I was a boy on the farm.
