Wednesday Dec 11 4PM our rally began with chapter updates and announcements from our hosts. The ugly sweater event was postponed until Saturday. At 5PM our hosts furnished us with hotdogs & hamburgers, chips & dips and delicious desserts. After eating, members competed in a few games of left, right, center with over \$52 contributed to our fund raiser. Bob collected \$300 from his pickle sales and thanked all those who purchased.

Thursday Dec 12 4:30PM we all left the campground for a short ride to Rosemary & Thyme restaurant at The Windsor Hotel. We discovered that our reservation had been cancelled but we got creative and found other places to eat. Some of our group went to eat Mexican food and others ate a couple of blocks away at Toboggan Steve's.

Friday Dec 13 at 11AM we loaded up and took a short ride to Yoder's Deitsch Haus in Montezuma for a delightful Amish prepared lunch. It was a buffet style and each person chose their favorites. The desserts were out of this world and after finishing their meal several paid a visit to the bakery. The rest of the day was on your own.

Saturday Dec 14 at 9AM we were treated to a pancake & sausage breakfast furnished by the good folks at the campground. At 5PM we met again for our potluck meal. Denise won the women's ugly sweater contest, while Dorris won the men's competition. Donated items with winning bidders were announced and monies collected. Wayne will announce the total for our fun raiser as soon as all proceeds come in

Sunday Dec 15 at 9AM we met for our rally ending breakfast of a casserole and fruit. Wayne gave a short but spiritual message and after a little more visiting we all said our goodbyes.
