4:00 PM Meet & Greet was held at the clubhouse where our visitors were introduced and welcomed.

5:00 PM Pizza furnished by our host was served in the clubhouse. From the pictures it looks like no one when away hungry.

5:00 PM Fried chicken dinner was served in the clubhouse. Members did not have to bring side dishes as everything was provided by our host. Fried chicken, mashed potatoes with gravy, green beans, salad and bread. Yum, yum. The pictures don't show it but I can guarantee dessert was also served.

All Day Free on your own

Some visited Osage market and someone bought a large box of beautiful tomatoes to share with us all. Some attended local production of The Sound of Music and reported that it was a very good show. The Blue Hound BBQ was a favorite for BBQ fans as owner/chef won Best on Bobby Flay tv show. Yummy for sure. Some just chilled.
