Wednesday July 16 Meet & Greet was held at 3PM

Everyone met at the clubhouse to catch up on news since the last rally and enjoyed the finger foods supplied. Sign up sheet for sides for Potluck, dinner at Julie's Place and breakfast biscuits was passed among the crowd to sign up for planned events. It was remembered that last year at this time Dorris & Ethel were celebrating their wedding anniversary so we all sang the happy anniversary song wishing them many more

happy years. After the meeting members were on their own to plan for dinner.

Thursday July 17 Free Day all day

Members were given the day to explore the attractions in and around Murphy. Some went to the casino, some went shopping at local stores, some tubing and some chose to just relax. Nick & Joyce had to leave with a family emergency at home praying that everything goes well.

Friday July 18 Group Dinner Out at 5PM

All members present met at Julie's Place Restaurant for a hardy meal with many enjoying their favorites. The all you can eat catfish and popcorn shrimp was really more than enough.
