Friday June 20

7:30AM - 2:00PM A trip to shop & eat at the local Farmers Market was scheduled for today. Those that went decided not to eat here as a member reported the food that wasn't good and overly priced.

Saturday June 21

All Day Free to explore the area during the day. Some went back to the farmers market for dollar days on flower plants. As a heads up to all my pickle lovers I was able to buy a bushel of cucumbers and I will have pints and quarts available at the upcoming rallies for \$5 per pint and \$10 per quart with all proceeds benefiting St. Jude Children's Research Hospital again.

5:00PM Potluck supper of BBQ was held at the clubhouse with members contributing some of their favorite side dishes. Anne prepared the BBQ from a pork loin and received many compliments from the group.

Sunday June 22

9:00AM Breakfast of donuts and coffee.  
Wayne gave the Devotional message.  
Hugs and well wishes and goodbyes.

Games nightly at the clubhouse.
