In memorandum

As some might not know Jack White passed away on September 9th. His funeral service was held on the 13th in Stockbridge, GA. 15 members of our club attended. Jack was an asset to the club as WagonMaster from 2008-2020. He will be missed by all that knew and loved him. **RIP Jack.**

September 17, 2025 Wednesday

4:00 PM Meet & Greet was held at the pavilion and the agenda was discussed and a few minor changes were made. Several of the group opted for an early morning bike ride at Cades Cove while others chose a trip to Anakeesta Adventure park and either Baskin Falls hike or Cataract Falls hike. Marsha and Van announced their engagement and we couldn't figure out which was the brightest, their smiles or her engagement ring.

September 18, 2025 Thursday

5:00 PM After a busy and fun-filled day by members the highlight of the evening was an Italian dinner at Ristorante Della Santina. The food and atmosphere was very good but it was good to sit down and relax after all the activities of the day.
