Tuesday - Arrival Day - After greeting each other and settling in, our first arrivals all got together and decided to go to Champy's World Famous Fried Chicken for dinner. The fried chicken was indeed very good and we all had a great time on our unofficial group dinner!

Wednesday - Meet and greet was held at 4 pm. Bob & Frances Coulter out did themselves with homemade snacks for everyone! Man, those slightly spicy crackers she made were awesome! They also brought homemade brownies. Dinner was on your own with several members going to Choo choo bbq for the spaghetti special. Annie Mickey really wanted to try that out!

THE MOUNTAINEER

Thursday - In the Morning Several people gather together at the Underwood's for pancakes and sausage. There is so much to do in the area. During the afternoon, several members explored the Chickamauga Civil War battlefield, while others went to The Hunter Museum of American Art, or into downtown Chattanooga for shopping and antiquing. Dinner that evening was at Choo-Choo Barbecue. Turkey and dressing was the special of the day! Thanksgiving in July!!

Rain storms that evening prevented the campfire, and the major game players missed this rally for various reasons, so fast track and dominoes layed on the way side..

Friday - We were on our own. Everyone went out, explored, toured the city, and enjoyed the sites. Some members chose to relax and enjoyed visiting with each other. The Phillips went to The Tennessee Valley Railroad museum and did a train ride. When in Chattanooga!!

That evening, dinner was on your own. Several members went to Portifino's for dinner. Later folks gathered for a campfire .

Saturday - Saturday most members lazed around the campground. Later, we had a potluck ham dinner at the clubhouse. Boy Howdy! We've got some great cooks in the group! Hubert and Marsha Brown joined us for dinner. So good to see them again! It had been too long!

THE MOUNTAINEER

Sunday - Wayne provided our devotional and Bob & Frances Coulter treated us to homemade mini quiche and fresh cantaloupe! We all said our “until next times” with lots of hugs and that we all looked forward to the August rally in Rabun Gap at Willow Valley RV Resort.

Reminder: Our December rally event will be Dec 6 -10 at River Rocks Landing in Gadsen, Al. There will be a club dinner on Dec 8 at the campground. This year’s charity is a really awesome one! We are supporting St. Jude’s Children’s and Research Hospital in memory of our beloved Ted Barrett.

In Conclusion: If you need a Georgia Mountaineers garden flag with your name on it, you can order them through Connie Rosenberry at: granberry@hotmail.com
Flags run about \$25.
