**Wednesday** - Meet and greet was held at 4 pm. Since there was no host for this rally, Wayne addressed the group and we made a group plan for the week. We made sure all were welcomed and introduced our visitors. Campfire and dominoes provided laughs that evening.

**Thursday** - Some folks went to the Dawsonville Historic Museum; Georgia Racetrack Hall of Fame. It was very interesting and a great tribute to the history of Georgia Racing.

**Thursday evening:** The group went to Country Cottage for home cooking. And the Campfire was enjoyed by many that evening.

**Friday** - We were on our own. There were great local markets, quilting stores, an outlet mall, and antiques stores to visit. That evening, folks gathered for a campfire after many cooked out and shared food at the Underwoods' site.

**Saturday** - Saturday morning was our scheduled business meeting. The approved changes to our standing rules were emailed out on May 26. The Birts, Carpenters, and Jack White along with Virginia Jackson came to visit for the meeting. Later, we had a pot luck covered dish meal at the campground.. As usual we all ate too much but had fun!

**Sunday** - Wayne provided our devotional and we enjoyed farewell biscuits. A good time was had by all.

**Reminder:** Our December rally event will be Dec 6 -10 at River Rocks Landing in Gadsen, Al. There will be a club dinner on Dec 8 at the campground. This year's charity is a really awesome one! We are supporting St. Jude's Children's and Research Hospital in memory of our beloved Ted Barrett.

**In Conclusion:** If you need a Georgia Mountaineers garden flag with your name on it, you can order them through Connie Rosenberry at: [granberry@hotmail.com](mailto:granberry@hotmail.com)  
Flags run about \$25.
