----- Coastal Georgia RV Resort - Brunswick, GA

**November 7 - 12, 2023**

**Co-Hosted by: Ken & Denise Pleat, Linda & George Underwood**

Coastal Georgia RV Resort is conveniently located off I-95, situated on a beautiful south Georgia lake surrounded by lush landscaping, just minutes away from golf, beaches, historical sites and shopping. Cook out their pavilion, fish off the bank of the lake, or get some sun lying by the pool. The weather was perfect for our large rally. We had 30 coaches camp at the beautiful Coastal Georgia RV resort. Ken and Denise Pleat along with George and Linda Underwood did a fabulous job hosting the group.

# THE MOUNTAINEER

**Wednesday** - Newcomers Geri Payne, Ronnie and Anita Crosby were introduced. We all caught up with each other's adventures over pizza and salad. Jack White built a fire and the gamers enjoyed fast track and dominoes. Some marshmallows were roasted. Lots of laughter and fun for all.

**Thursday** - On our free day, Thursday, some played pickle ball in town, some went shopping, others went to Jekyll Island and others just relaxed at the campground. The gamers played dominoes and fast track and were overall a pretty noisy bunch.

I have no idea what was going on in this picture, but it was too good to not include! Looks like they are leveling someone's coach the hard way!!

**Friday** - Friday morning Donna Birt hosted 'Crafts with Donna' at the clubhouse where the ladies had a great time expressing their creativity making serving trays and coasters from native Georgia wood.

Later the club gathered at the clubhouse for a covered dish supper of chicken provided by our gracious hosts. We were honored to have Mr. Bill Dees and his wife Carolyn (S/E Regional FMCA President) join us. As usual we enjoyed visiting with everyone and ate an abundance of yummy food.

**Saturday** - Saturday brought out all of our favorite TEAM shirts as it's always football day around the TVs!!! Saturday morning the club held its general assembly meeting at which the audited books for the year were voted into record. Mr. Bill Dees (FMCA S/E Regional President) presented our President, Wayne Mickey, a check for \$150 in honor of our club's 35<sup>th</sup> year anniversary. Linda Underwood held a small group sewing event mid-day where folks made Christmas ornaments. Later in the day several had tail gate parties and rooted for their favorite teams. GO DAWGS! And all other teams playing.

**Sunday** - Sunday morning, Wayne Mickey led the group devotional and also recognized all veterans in honor of Veterans' day. Our hosts provided breakfast and coffee. We said our farewells. "Happy trails to you.....Until we meet again"

**Reminder:** Our December rally event will be Dec 6 -10 at River Rocks Landing in Gadsen, Al. There will be a club dinner on Dec 8 at the campground. This year's charity is a really awesome one! We are supporting St. Jude's Children's and Research Hospital in memory of Ted Barrett.

**Don't Forget:** Dig out your "ugly" Christmas sweaters to wear at the meet and great!! There will be prizes!!

**In Conclusion:** If you 'd like a Georgia Mountaineers garden flag with your name on it, you can order them through Connie Rosenberry at: [granberry@hotmail.com](mailto:granberry@hotmail.com)  
Flags run about \$25.
