Dear Georgia Mountaineers Friends,

On behalf of everyone at the Community Helping Place, we want to thank you all for once again supporting our White Christmas program. The abundance of beautiful toys that your group donated knocked our socks off! The tables on which we stacked the bounty actually groaned!

The volunteers who pack the Christmas toys select each gift with purpose and deliberation and to have such a lovely reservoir to choose from is a blessing. As always, the toys that your wonderful club donates are the stuff of which Christmas dreams are made. You have given so many children a moving and memorable Christmas morning.

Thank you again for your loving thoughtfulness. Your enduring kindness and hearts for service have impacted so many families in the most loving and beautiful way. We are grateful for each and every one of you!

With Warmest Sincerity,

Jessica Dudley
