Our Wagon Master has asked the campgrounds to set aside 25 campsites together for the Mountaineers to reserve, but they are automatically released 30 days before each rally for use by the general public. Therefore, we recommend you plan your camping for next year's rallies ahead as much as possible, make your reservations, and sign up to host a rally as well. When making reservations, be sure and tell the person taking the reservations that you are with the Georgia Mountaineers. And ask about any rally discount and their cancellation policy.
